EAST MEETS WEST WITH PAM FOWLER GRACE

USDF Gold Medalist and L Graduate, Pam Fowler Grace, was the guest clinician for a two day Dressage Workshop at the beautiful Austin Equestrian Center at the Reserve near Lake Travis in early March. The clinic was unique, as both traditional and dressage for Western riders was emphasized. Pam also treated us to one of her fabulous freestyles on her Dutch gelding Warmblood Star in Stripes, "Kossini" debuting a newly designed Western saddle just for dressage riders by Circle Y Saddles. Pam has been involved in the design and fit this unique saddle. Circle Y Saddles hopes to have the Western Dressage saddle available for sale very soon. The local dealer is Charlotte's Saddlery in Houston, ask for Bill.

Interested in learning more about Western Dressage? Next clinic is April 12 & 13 with Pam Fowler Grace in Austin.

Call Laura Jones at The Reserve for details and to sign up for the clinic: 713-703-5109
